

July 8 call w/ P10s for July 14 public meeting

- There won't be a pre/post study, this is just a screening study
- Environmental study will go forward
- News release has gone out, announcing community meeting (~2:00)
- Bruce will not release details of the study but will keep it for the community meeting. Press is welcome @ the meeting
- Flyer has been sent to 3-4 "networks" and Karen is reaching out to individual members of the community (people who have been contacted to have their water tested)
- Cheryl @ The Grange will post flyers @ grocery & mkt's

Watershed Council  
Grange (also their telephone)  
OTA "proxy chief"  
Pitch Creek Rebellion

Industry groups  
have been briefed

They don't believe there's a significant tribal presence

final version  
Bruce will send advisory, talking points  
Karen will send Flyer

PRESS  
Sue Palmer w/ Register (Grand  
Jury) has shown the most interest  
- provide interviews ahead of  
the meeting (make folks available)

→ Christine is finalizing the Q&A - Summary  
Speaker notes

→ Karen - posters, contact sheet / sign-up sheet

= will need a roster of who will be on the panel

→ send Karen the names of the people who will attend from EPA(ATSDR)

→ Joe will give a presentation, break, hand out cards for questions

\*not a panel\*

is there an EJ implication for this issue?

Cen-Rank - EJ measurement tool

Children are the vulnerable population in this case

- because nobody is challenging the EJ nature of the site, the site is still vu

Roles still needed:

= snacks, coffee (Forestry?)

= two people writing community concerns & questions onto flip charts (ODA & ODF?) ODF & Health (Dm Postelle ✓ community involvement) 303 945 7420

= meet & greet & name tags (Kay?)

= work cards, wireless mics, etc.

= sign up for additional contact \* sign up for listserv

Film/document? suspicious = { how will the meeting be  
the meeting no court recorder } summarized? how will it be distributed?

~~summary~~ Document will be given to public & comments collected

Karen will set up a listserv

Two tools - one w/ Forestry

one w/ Day Dawn (Pitchfork Rebellion)

Thursday: windshield tour

EPA's role - respond to questions, no prepared content

① send Karen list of peop

: Karen will send a follow up meeting invitation for Tuesday if necessary

→ Triangle Lake Public Meeting ←  
Thursday, July 14 6:30 → 9:00 pm

Triangle Grange Hall  
29269 Blackly Grange Road  
Blackly, OR

set up @ 4:00, "huddle" at 5:00

→ What are the questions the public will ask?

Dept. of Ag  
Dept. of Health  
ATSIR

Friday - ODF can host a tour on the 14th  
- separate tour w/ Pitchfork Rebellion

Register Guard & Eugene Weekly has been interested, may be more interest for this one

Forward call info to Sheryl for Friday call  
set up a meeting w/ Sheila Fleming - anything on Friday?  
 $\frac{1}{2}$  hour or early afternoon Monday?  
to discuss study design re: EJ concerns
